

HKBU Homecoming Day - United Digitally 2.0 (2022.11.5)

The Annual Homecoming Day was split into several days this year. Online gatherings, entitled “United Digitally,” aiming to reconnect HKBU alumni, were held over several weeks. Deans, Department Heads, and faculty members from twenty-three departments across eight faculties, schools, and academies joined the second virtual gathering with all returning alumni, supporters and friends in different sessions. On 5 November, Zoom sessions for all departments in the Faculty of Social Sciences were held. Joined by Prof. Clara Wing-chung Ho, Prof. Man-kong Wong, and Dr. Kin-sum (Sammy) Li, and hosted by Dr. Yuen-han Law, the History session attracted more than 30 participants, connecting professors, alumni, supporters and friends online to share recent updates.

Miss Wendy Tang, Mr. Tyrone Siu and Miss Reed Li also joined the event, as the representatives of History Alumni Association. In the meeting, Miss Wendy Tang, the Founding Chair, shared the latest news of the HAA.

The Department is thrilled to see a lot of familiar faces returning. Please keep in touch and see you in person in the reunions next year!
