## Department of History

Dear all,

## Installation of the Centennial Time Capsule Stone Stele

The ceremony of the centennial time capsule project organized by the Department of History to commemorate the sixtieth anniversary of HKBU was held on October 5, 2016. With the installation of the stone stele and the completion of the granite work and the wooden pavement surrounding the stele, the Department welcomes you to drop by the stele to read its inscriptions and take photos with the stele. This will become a new landmark on the plaza; the time capsule and the stele will be silent witnesses of the development of HKBU in a century.

Best wishes,  
Department of History

各位好！

歷史系紀念浸大六十週年校慶的百年時間囊封存典禮，已於二零一六年十月五日舉行。紀念此盛舉的石碑工程已然完成，石碑週邊的花崗岩與木板通道亦已造好，歷史系歡迎各位到此觀摩石碑，拍照留念。廣場上的時間囊與紀念石碑，將成為浸大新的地標，並默默見證浸大在今後一世紀的發展。

歷史系謹識
