The HKBU's Homecoming Day 2016: Happy Diamond Jubilee organized by the Alumni Affairs Office was held on 2 October 2016 (Sun). This annual event was a great opportunity for alumni to return to their alma mater and to reconnect with former classmates and teachers. History alumni from the Classes of 1976 and 1991 joyfully accepted the invitation from the Department to have a reunion gathering in the afternoon of the Homecoming Day 2016 at the Meeting Room (AAB 1153).

In addition, the gathering allowed alumni to head back to the classroom and relive the past. Members of the Classes of 1976 and 1991 could still remember their good old days and recapped their campus lives at Hong Kong Baptist College (HKBC).

In the gathering, all alumni were excited to hear about the History Department Time Capsule Project and actively contribute paper-form messages to the time capsule by making donations. They patiently prepared “gifts” for the people of AD 2116 and took several photos with the time capsule, which was temporarily placed at the Meeting Room, to preserve the treasurable moment as they were glad to engage in the most important event of the Department in this academic year. The whole venue was filled with joy and excitement.
